+ Facilidade de montagem Ease of assembly

Produtos possíveis para colagem de toda a gama de painéis MultiStone:

In all the MultiStone types, the following adhesives can be used:

- Cola PU / Polyurethane adhesive
- Polímero MS / MS Polymer
- Resina Epoxi / Epoxy resin
- Silicone / Silicone

+ Fácil de manipular Ease to manipulate

Pode ser aplicado sobre o revestimento existente devido a sua leveza e espessura reduzida.

It can be placed on the existing lining due to its lightness and minimum thickness.
